This rare East Gate Bel Air property has been renovated and designed to perfection. Enter the lush private grounds of this Montecito-style Mediterranean through a gated motor court set off of famed Billionaires Row. An enchanting courtyard greets you as you enter through glass & iron doors into the beautiful foyer & living room with soaring ceilings, fireplace & wide plank oak floors. The romance continues into the formal dining room, media room & chef's kitchen great room. A grand outdoor living room/dining room is a perfect setting for both formal & relaxed living. The master suite, reminiscent of the Hotel Bel Air, offers a walled garden patio, two custom closets & a luxurious master bath. Two ensuite guest beds with expanded closet space, a powder room & laundry room complete the interior of this private retreat. Escape to the resort-like backyard with mature landscaping, a brand new pool & spa, & stunning views to the San Gabriel mountains. Truly the epitome of luxury & privacy!
